- Academic Associate of Science in Magnetic Resonance Imaging (MRI)
- Magnetic Resonance Imaging (MRI) (Long) - Diploma
- Magnetic Resonance Imaging (MRI) (Short) - Diploma
- Vocational Nursing - Diploma (15 months)
- Live Scanning Workshops including: Musculoskeletal Ultrasound, Breast Sonography, Fetal Echocardiography, Heart Transplant and Advanced Vascular Ultrasound

Accreditation and Licensure

West Coast Ultrasound Institute is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC) and licensed by The Bureau for Private Post Secondary Education (BPPE) to provide educational services in the state of California. WCUI is also licensed by the Arizona State Board for Private Post Secondary Education to provide educational services in the state of Arizona. WCUI's AAS Magnetic Resonance Imaging program is programtically accredited by The American Registry of Magnetic Resonance Imaging Technologists (ARMRIT). Both WCUI's MRI and DMS programs are recognized by ARRT! Graduating from WCUI's DMS and MRI Associates programs now means immediate eligibility to sit for a certification examination through ARRT, if all clinical competency requirements are met. The board of vocational nursing and psychiatric technicians (BVNPT) provides programmatic approval for the vocational nursing (VN) program.

COMBINE FOCUSED ACADEMICS WITH CLINICAL
EXPERIENTIAL LEARNING AT EXTERNSHIP
ROTATION SITES.

ADMISSIONS + PREREQUISITES

Prospective students interested in attending WCUI should attend an open house, tour the campus, and meet with an admissions representative. Applicants enrolling in the programs offered by WCUI must show proof of high school graduation, a General Education Diploma (GED), or an evaluated Foreign Secondary Diploma. Applicants must pass an entrance exam. International applicants must pass the TOEFL test. **For more information, call now and speak with an admissions representative at 1-866-559-9284.**

FACULTY + STAFF

West Coast Ultrasound Institute is unique in that it was founded by a Board Certified Radiologist and a Nurse/Sonographer, and guided by **Board Certified Radiologists, Cardiologists, Registered Imaging Technologists, and Licensed Nurse Practitioners**, who are currently employed in the medical field. Their expertise enables our students to be well-versed in the latest technologies, imaging protocols and patient care.

TUITION FEES + FINANCIAL AID

To obtain an estimate of tuition costs, complete the Net Price Calculator questionnaire on the WCUI website at www.wcui.edu. **For the most accurate information on the cost of training at WCUI, students and their families should speak with a financial aid officer.** Financial aid is available to those who qualify. Detailed Information and financial aid advising are available to all applicants at the financial aid office located at each campus.

+ SHAPING THE FUTURE OF MEDICAL IMAGING & NURSING EDUCATION
